

The General Conditions apply to all the courses and workshops for which a participant enrolls individually.

A student enrolls for a course or a workshop by completing and submitting an enrolment form at the website [www.schematherapieopleidingen.nl](http://www.schematherapieopleidingen.nl) and thereby agrees to the General Conditions.

Students participate in the order in which they register.

After receipt of the enrolment form *Van Genderen Opleidingen B.V.* will send an e-mail via [info@schematherapieopleidingen.nl](mailto:info@schematherapieopleidingen.nl) to person who registered in which the enrolment is confirmed. Where necessary, we will inquire about the required conditions for participation.

If the course is fully booked, the student can enrol for the waiting list. When a place becomes available, the first person on the waiting list will be contacted. Is she not interested (anymore), number two will be contacted and so on.

If the number of enrolments for a course or a workshop is less than two thirds of the maximum number, the course or workshop will be cancelled. We will discuss enrolment in a course at a later time with the students who enrolled.

About eight weeks before the start of the course the student receives an invoice that has to be paid not later than four weeks before the start of the course. The invoice will be sent to the private e-mail address of the student, unless otherwise stated on the enrolment form. The student is responsible for payment in good time. If the student's employer pays for the costs of the course, the student will take care of payment in good time.

#### **Cancellation and interim termination**

- The participant can cancel within 14 days, free of charge, without the need to provide a reason for cancelling. Cancelling participation of a course can only be done by writing us an email or letter. The date of receipt will be considered as the cancellation date.
- In case of cancellation up to one month before the start of the course, the participant will be charged €50.
- In case of cancellation within one month and 2 weeks before the start of the course, 30% of the agreed price will be charged
- In case of cancellation less than 2 weeks before the start of the course, 50% of the agreed price will be charged
- In the event of premature termination 50% (as start-up costs) of the agreed price, plus the costs of what has already been followed education, regardless of whether you were present at these meeting(s). The total costs are never higher than the agreed price.
- It is possible to be replaced by a colleague if he/she meets the admission requirements for the course. In this case, only € 50, - administration costs will be charged.

#### **Missing out on course days**

- In a 4-day course (25 hours) 1 day at the most may be missed out on. This day has to be made up for during a next course.
- In an 8-day course (50 hours) 2 days at the most may be missed out on, of which 1 day at least has to be made up for. For the second day a substitute assignment has to be completed.
- Missed out days in a workshop of 1 or 2 days always have to be made up for.  
An exception to this rule is the supervisor's course. If you miss out on day 1, the entire course has to be taken again, because following day 2 is not possible without having followed day 1.
- In the international course of 40 hours (2 hours per week) 4 sessions of 2 hours at the most may be missed out on. If you miss out on one or two sessions, you must watch the recordings of these sessions as an alternative assignment. If you miss out on three or four 2-hour sessions, you must watch the recordings of these sessions and make an alternative assignment about a subject of one (or two) of the three (or four) missed out on day(s).

Missed out on days can be made up for during a next course or workshop.

The costs for a catch-up day are € 50 (with the international course € 25 for each catch-up assignment to be checked).

If you miss more than the indicated number of days, you must do the course again.

The management of *Van Genderen Opleidingen B.V.* can decide however only very rarely to make an exception for this. This is only possible on the basis of compelling reasons exclusively relating to the student.
